Students admitted to ASU starting fall 2007 semester will use critical requirements to obtain advancement to upper-division Computer Science and Engineering courses. Advancement will be determined by completing the skill set courses (shaded boxes) and meeting the necessary GPA requirements (see below). Please work with an SCI advisor if you have any questions about these requirements.

Notes: *** ASU 101 is required for all first-year freshmen  
** See SCI Advising Center or SCI Website (http://sci.asu.edu) for approved technical electives.  
*Designates required Skill Set courses for CSE admits beginning Fall 2007. Minimum GPA requirements are as follows: Skill Set ≥ 2.75 GPA, Cumulative (ASU+Transfer) ≥ 2.5 GPA.

Pre-requisite ———————— Co-requisite ————————
