Explore Engineering

Reservation Form for 2011 Graduating Senior

Friday, January 28, 2011

Students graduating from high school in Spring 2011 are welcome to attend on their own, but only if their school is not attending the high school conference. Students attending on their own need to fill out information below and include the signatures of a school official and their parent or guardian.

Student Name _____________________________________________
Name of School _____________________________________________
Home phone ________________________________________________
