

Arizona FIRST LEGO League Tournament Cancellation Policy

If it is necessary to delay, postpone or cancel an Arizona FIRST LEGO League tournament due to severe weather conditions, exceptional circumstances or significant illness, notifications will be provided by:

- Posting to the Arizona FLL web site: azfll.asu.edu.
- Email to all primary contacts for registered FLL teams.
- Written notices posted on the doors of the tournament site.
- Announcements in all tournament competition areas.

All possible efforts will be made to postpone or reschedule a tournament. If a regional tournament is cancelled and cannot be rescheduled, qualifying teams will be selected to advance to the state championship tournament by lottery. If the championship tournament is cancelled, and cannot be rescheduled, the state's representative to World Festival will be determined by the highest total team score earned at an Arizona regional qualifying event. Arizona tournament registration fees are non-refundable.
