First Year Experience
Build Your Career Series @ Tempe

All Fulton freshmen and new transfer students, these sessions are designed just for you by the Fulton Schools of Engineering Career Center. Bring your friends and meet new ones. Engineering Career Center, 480.965.2966, https://engineering.asu.edu/career/events-calendar

Internship Panel
Tuesday, February 7 5:30-7 pm ECG 104
“Get the scoop” from upper classmen and demystify the internship experience. Hear how they found their opportunities and what they did as interns. Refreshments provided.

Start your Personal Plan to Professional Employment
Monday and Tuesday, February 13 and 14 4:30-5:30 pm ECG 104
The reality is that becoming employed requires more than earning a four year degree. Discover what you can start doing right now, using David DeLong’s FINISH method!

Create Your First Technical Résumé
Monday and Tuesday, February 20 and 21 4:30-5:30 pm ECG 104
Learn technical résumé elements as well as the do’s and don’ts. Catch the attention of your reader by making powerful résumé bullets.

Prepare for the Fulton Schools of Engineering Career Fair
Wednesday and Thursday, February 22 and 23 4:30-5:30 pm ECG 104
Attending the Fulton Schools of Engineering Career Fair for the first time can be overwhelming. Get tips on how to best navigate the event, what to expect, and what to say to recruiters.

Fulton Schools Career Fair for Undergraduate Students @ Tempe
Tuesday, February 28 noon-5 pm Memorial Union, second floor

Fulton Schools Career Fair for Undergraduate & Graduate Students @ Polytechnic
Wednesday, March 1 noon-4 pm Polytechnic, Cooley ballrooms

Employer Panel
Tuesday, March 14 5:30-7:00 pm ECG 104
Hear what employers look for when they hire interns. Learn what to put on a résumé when you have “no experience”. There will be time to ask questions. Refreshments provided.

Increase your “Internship Readiness”
Monday and Tuesday, April 3 and 4 4:30-5:30 pm ECG 104
Learn techniques and discover the resources to take the next steps for getting closer to your first internship.

Schedule an appointment with a Peer Career Coach by calling 480.965.2966. Learn what to do NOW.
