

# Celebrating Women in Engineering

Networking Event for Admitted Students

*Rankings reported in ASEE Engineering & Engineering Technology by the Numbers, 2019*

Fulton Schools students, faculty, alumni, and industry professionals gather to celebrate, encourage, and support students who are starting their engineering journey at ASU.

Engage in meaningful dialogue about the importance of women in engineering and discover how Fulton Schools enable women to thrive.

This virtual event is in celebration of ASU's Women's Herstory Month

Tuesday, March 30, 2021  
6 – 8 p.m.
