

**2018-2019 Undergraduate Programs with Higher Admission Standards**  
**Ira A. Fulton Schools of Engineering**

International students may have an additional English-language proficiency requirement. Foreign nationals must meet the same admission requirements shown below with the possible additional requirement of a minimum Test of English as a Foreign Language (TOEFL) score. If the university requires a TOEFL score from the applicant, then admission to Engineering requires a minimum TOEFL score of 550 (paper-based), 213 (computer based), 79 on iBT (internet-based); or a minimum International English Language Testing System (IELTS) score of 6.5; or a Pearson PTE score of 58.

**Change of Major:** Students interested in changing their major to one of the majors within the Ira A. Fulton Schools of Engineering must meet the admission requirements. Note that the GPA requirement for change of major is calculated using all coursework (ASU + transfer GPA).

Students admitted as freshmen into the Fulton Schools of Engineering, with the exception of the Polytechnic School and Engineering Exploration, and have maintained continuous enrollment in any Fulton Schools major may choose to change to any other major within the Fulton Schools of Engineering provided they are in good academic standing. Students admitted to the Polytechnic School and Engineering Exploration must meet the transfer admission requirements in order to change to a Fulton Engineering major outside of the Polytechnic School.

Transfer students admitted to the Fulton Schools of Engineering from a non-ASU institution or another college within ASU must meet the transfer admission requirements in order to change to any other major within the Fulton Schools of Engineering
